GOVERNMENT OF MYSORE

Tumkur
27th May 1897.

My dear Sir,

In reply to your D.O. of the 25th instant, I beg to submit the following report on Dy. Amildars B. Vasudeva Rao and B. C. Keeraiya —

(1) B. Vasudeva Rao. age 46 years — joined this District in March 1896. His conduct at Channapatna and Channarayapatna is well known to Government. He is energetic, works up in his work and is full of resources, but rather obstructive

kept in a Head Quarters Camp under the direct supervision of the Adjutant or an Asst Commissioner -

(2) B. C. Kavanagh Age 44 years. Joined the District in April 1894. A an energetic and intelligent officer. Does his work well. I have had no occasion to find fault with him. So far as I can learn he bears a good character and from what I know of him I consider him in every way fitted. I believe he has passed the necessary Examinations -

Information regarding the services of these officers is not available in my office -

at times. In the Police Department, he is reported to have actually worked counter to the lines upon which the Police Assistant was working in two cases. He is not popular. Rather interest in municipal matters and well worth. I am afraid he has got into a bad habit of abusing people who come up before him in his official capacity and threatening them with criminal proceedings & imprisonment. Till very recently, I used to get anonymous petitions impeaching his honesty, but they are now scarce. I spoke to him about his obstructiveness in Police matters and he has improved since my lecturing - I hope the improvement will continue. If appointed Auditor, he must be

Amsterdam, and has given me satisfaction by the way he has done his duties at Rotterdam. I beg therefore to recommend that an Amsterdam may be given to him.

Trusting this finds you doing well.

I remain Yours
Sincerely

Dear Sir

I have the honor to reply to your D.O (Confidential) enquiry on the subject of the character and qualifications of the Deputy Amildar of Perlakadi (S Venkataramana)

To the best of my knowledge the Deputy Amildar is a man of excellent character. I have certainly never heard a word against his character. In official work I have found him fairly strong and reliable.

In connection with the character which

As regards the remaining points in your letter viz his age, Services etc of the Deputy Collector. I regret to find that I cannot give particulars without calling for the Dy Collectors Service Register. which I am now closing. He appears however to have a total Service of a little over 25 years. Deputy Commissioner at Petlad had
a very unusual amount of responsibility

I think this work in connection
with these elections merits some
recognition.
At the same time I do not consider
him a man of superior abilities

first-rate importance. He is very
quiet and unassuming in manner and

timid. He is also perhaps
